

NEWS FROM THE FAR EAST.

Japanese and Russians Clash in Southeast Manchuria.

Tokio, Feb. 18.—The following of official announcement was made here today:

On Thursday the enemy's artillery bombarded our position in front of Suafengpao, Kanchenpao, Mengtapao and other localities.

Today at 5 in the morning the officer in command of our scouts encountered and repulsed a detachment of the enemy's infantry about 100 strong near Hsienluapao. The enemy, who had come southward since Wednesday retreated north to Loukarfang, 10 miles northwest of Chitaitse.

St. Petersburg, Feb. 18.—A dispatch from Sachutin, Manchuria, says 11,000 Japanese troops and Chinese bandits are reported to be in Southeast Manchuria in the neighborhood of Calhachchen, 45 miles northwest of Gunshu Pass, when they intend to operate against the railroad. A detachment of Russian frontier guards with two guns encountered the Japanese on Feb. 14, and defeated them. The detachment, however, while advancing, was surrounded by two companies of Japanese cavalry, four companies of infantry and a large band of Chinese bandits, about 45 miles of Hunshu pass, and lost heavily. One gun was lost and nearly all the guns, horses and a number of gunners were killed.

MUTUAL PLAN WINS OUT.

Differences in Equitable Company is Amicably Settled—Hyde Wins.

New York, Feb. 18.—James W. Alexander and James H. Hyde were re-elected president and first vice president, respectively, of the Equitable Life Assurance society, at the adjourned meeting of the directors. All the other officers whose terms had expired were re-elected.

A resolution was adopted recommending that policy holders be given the right to vote for directors, and a committee which includes President Alexander and Vice President Hyde, was appointed to carry out this step, which is practically the policy of mutualization advocated by President Alexander.

The results outlined were reached after a protracted session which was marked at times by considerable feeling. Friends of Vice President Hyde were disposed to view the outcome as a victory for their side, but in other quarters the result was regarded as a general compromise, in which the contending factions met half way.

Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it, on all Dr. King's or Bucklen's remedies, as all others are mere imitations. H. E. CRUSHED TO DEATH BY TRAIN.

Man Caught in Narrow Place and Receives Injuries that Cost Life.

Valdosta, Ga., Feb. 18.—Samuel Barker, a prominent farmer of this county, was crushed to death here by a Georgia Southern and Florida railroad freight train.

Mr. Barker drove to the plant of the Georgia Fertilizer and Oil company to get a load of guano and was standing at the edge of the railway platform when a locomotive backed a string of freight cars down the track, catching him between the cars and the platform.

The deceased was a large man, and as the space between the cars and the platform was only a few inches wide, his body was terribly crushed, several ribs were broken, his skull fractured, and he sustained internal injuries.

He was removed to the Valdosta sanitarium, where medical attention was given him, but he lived only a few hours.

Grave Trouble Foreseen.

It needs but little foresight to tell that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A. Young of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women." Sold under guarantee by all druggists at 50c a bottle.

MET DEATH IN HOTEL FIRE.

One Woman Dead and Fifteen Narrowly Escape from Building.

New York, Feb. 18.—A woman believed to be Miss Lydia Thamel, of Philadelphia, was burned to death and 15 men and women narrowly escaped in a fire which damaged the hotel Winton, on One hundred and Tenth street and Broadway, early today.

The dead woman was about 30 years old. The others who escaped from the hotel refused to give their names.

The fire started in a room on the second floor of the hotel and when firemen arrived the flames were bursting from the windows in the upper stories.

Miss Thamel's body was found lying in a hallway, where she had been over come by the smoke and flames. She was badly burned and died before a physician reached her.

The loss on the building was about \$4,000.

Itch—Ringworm.

E. T. Lucas, Wingo, Ky., writes, April 25th, 1902: "For 10 to 12 years I had been afflicted with a malady known as the 'itch.' The itching was most unbearable. I had tried for years to find relief, having tried all remedies I could hear of, besides a number of doctors. I wish to state that one single application of Ballard's Snow Liniment cured me permanently. Since then I have used the liniment on two separate occasions for ringworm and it cured completely. 25c, 50c and \$1 bottle. Sold by W. M. Johnson.

Flames Consume Six Children.

Boyle City, Mich., Feb. 18.—Three children were burned to death at Springdale, 16 miles from here early Thursday their father, Frank Pearsons, was so badly burned and also frozen, while fighting the fire and trying to rescue his children that he will probably die. A defective flue is thought to have caused the fire.

Edwards, Ill., Feb. 18.—Fire of a mysterious origin in the house of Manning Harris, a coal miner, burned the bodies of Harris' three small children to a crisp early today. Harris and his wife were rescued, but were horribly burned.
